

Plant-based menu ideas at your fingertips.

Vegan and free-from dishes for every meal occasion

Detailed nutritional, allergy, ingredients and environmental impact savings data for every dish

To help you meet the growing demand of customers looking for delicious meat free and vegan dishes, we've created Seed-bank. An online resource with scores of fully analysed plant-based recipes created with chefs in mind. With over 30 years' foodservice experience, over 1000 inspirational ingredients in our larder and an endless supply of ideas, you can rely on us, more than anyone else, to put plant-based dishes at the heart of your menu.
